

The Classified Senate extends an enthusiastic **THANK YOU** to the dedicated and hardworking 2009 Classified Retreat Committee. Thanks to the planning efforts of the committee, including Monica Souza, Sharon Terry, Kelly Irwin, Irina Marsant, Donna Johnson, Gloria Galloway, Barbara Beale and Joanie Mitchell, the Classified Retreat provided a full day of activities focused on self improvement, professional development, team building, and having fun as we connected with some of our great classified staff!

Special Thanks to Dr. Jeffery for taking time out of her very busy schedule to stop by and see all that we accomplish at the Classified Retreat!
