Vocational Nursing Program
Application for Transfer Students

The Sacramento City College Vocational Nursing program accepts transfer students from other state approved programs. Applicants must complete an assessment examination, at a score of 75% or better, prerequisite to the semester nursing course in which enrollment is being sought. A course outline is available upon request. Credit will be granted based on content and hours of the transferring courses, and will be comparable to time allotted to the subject within the Sacramento City College Vocational Nursing Program. Enrollment is based on:

1. Space availability.
2. Completion of course prerequisites with required GPAs.
3. Verification of previous education by official transcript.
4. Chronology of application *(accepted in the order in which they are received)*.
5. Letter from the Director, indicating clinical status at time of transfer. This status letter must be on letterhead and mailed directly to the SCC Director of Nursing.

PLEASE NOTE:

Tests are scheduled during the first weeks of August. You will be contacted by the director when space is available for a testing appointment. Applicants who have not enrolled in nursing courses for more than **two** years will have to start from the beginning of the program.

At the time you apply, **you must provide course descriptions** for classes taken at colleges outside of the Los Rios Community College District.
