

# Course Designators

Course designators are used to identify all course offerings in a specific subject/department (i.e., business courses have a “BUS” designator). The following reference list is for your convenience.

|  |   |
|--|---|
| ACCT - Accounting  | HEED - Health Education                                       |
| ADAPT - Adaptive Physical Education (See Physical Education) | HIST - History  |
| ADMJ - Administration of Justice                             | HUM - Humanities  |
| AERO - Aeronautics   | HSER - Human Services   |
| AH - Allied Health   | IDES - Interior Design (See Fashion and Interior Design)      |
| ANTH - Anthropology  | INDIS - Interdisciplinary Studies                             |
| ARABIC - Arabic (See Foreign Languages)                      | ITAL - Italian (See Foreign Languages)                        |
| ART - Art  | JAPAN - Japanese (See Foreign Languages)                      |
| ARTH - Art History   | JOUR - Journalism   |
| ASTR - Astronomy   | KOREAN - Korean (See Foreign Languages)                       |
| BIOL - Biology   | LIBR - Library  |
| BUS - Business   | LIBT - Library and Information Technology                     |
| BUSTEC - Business Technology                                 | MAND - Mandarin/Chinese (See Foreign Languages)               |
| CANT - Cantonese/Chinese (See Foreign Languages)             | MATH - Mathematics  |
| CHEM - Chemistry   | MET - Mechanical-Electrical Technology                        |
| CISA - Computer Information Science - Applications           | MGMT - Management (See Business)                              |
| CISC - Computer Information Science - Core                   | MIT - Metals Industry Technology                              |
| CISN - Computer Information Science - Network                | MKT - Marketing (See Business)                                |
| CISP - Computer Information Science - Programming            | MTRCL - Motorcycle Maintenance Technician                     |
| CISS - Computer Information Science - Security               | MUFHL - Music Fundamentals/History and Literature (See Music) |
| CISW - Computer Information Science - Web                    | MUIVI - Instrumental/Voice Instruction (See Music)            |
| COMDE - Community Leadership Development                     | MUP - Music Performance (See Music)                           |
| COMM - Communication   | MUSM - Specializations in Music (See Music)                   |
| COSM - Cosmetology   | NURSE - Nursing, Registered                                   |
| DANCE - Dance (See Physical Education)                       | NUTRI - Nutrition   |
| DAST - Dental Assisting                                      | OTA - Occupational Therapy Assistant                          |
| DHYG - Dental Hygiene  | PACT - Personal Activity (See Physical Education)             |
| ECE - Early Childhood Education                              | PET - Physical Education Theory (See Physical Education)      |
| ECON - Economics   | PHIL - Philosophy   |
| EDT - Engineering Design Technology                          | PHOTO - Photography   |
| ENGR - Engineering   | PHYS - Physics  |
| ENGCW - English - Creative Writing                           | POLS - Political Science                                      |
| ENGED - English - Education                                  | PSYC - Psychology   |
| ENGLB - English - Laboratory                                 | PTA - Physical Therapist Assistant                            |
| ENGLT - English - Literature                                 | PNJABI - Punjabi (See Foreign Languages)                      |
| ENGRD - English - Reading                                    | RAILR - Railroad Operations                                   |
| ENGWR - English - Writing                                    | RE - Real Estate (See Business)                               |
| ESL - English as a Second Language                           | RECR - Recreation   |
| ESLG - English as a Second Language - Grammar                | RUSS - Russian (See Foreign Languages)                        |
| ESLL - English as a Second Language - Listening              | RVT - Recreational Vehicle Technology                         |
| ESLP - English as a Second Language - Pronunciation          | SGVT - Student Government                                     |
| ESLR - English as a Second Language - Reading                | SILA - Sign Language Studies                                  |
| ESLW - English as a Second Language - Writing                | SOC - Sociology   |
| ET - Electronics Technology                                  | SOCSC - Social Science  |
| EVT - Electric Vehicle Technology                            | SPAN - Spanish (See Foreign Languages)                        |
| FARSI - Farsi (See Foreign Languages)                        | SPORT - Sports (See Physical Education)                       |
| FASHN - Fashion (See Fashion and Interior Design)            | STAT - Statistics   |
| FCS - Family and Consumer Science                            | SURVY - Survey (See Engineering Design Technology)            |
| FITNS - Fitness (See Physical Education)                     | TA - Theatre Arts   |
| FLTEC - Flight Technology (see Aeronautics)                  | TGLG - Tagalog (See Foreign Languages)                        |
| FREN - French (See Foreign Languages)                        | TMACT - Team Activities (See Physical Education)              |
| GCOM - Graphic Communication                                 | VIET - Vietnamese (See Foreign Languages)                     |
| GEOG - Geography   | VN - Vocational Nursing                                       |
| GEOL - Geology   | WEXP - Work Experience and Internships                        |
| GERM - German (See Foreign Languages)                        |   |
| GERON - Gerontology  |   |
| GREEK - Greek  |   |
| HCD - Human Career Development                               |   |
