

Course Numbering System

Sacramento City College has adopted a standardized course numbering system which is described below. The numbers are designed to provide students with general information regarding the focus and intent of courses.

- 1-99 Courses numbered 1 through 99 are credit courses that are considered developmental or basic skills and are not acceptable for the Associate Degree or transfer credit.
- 100-299 Courses numbered 100 through 299 are applicable to the Associate Degree and Certificates, but not accepted as transfer credit.
- 300-499 Courses numbered 300 through 499 are transferable, articulated with four-year institutions, and intended to meet major, general education or elective credit requirements. Courses transferable to the University of California are designated in the description. These courses are also applicable to the Associate Degree, Certificate of Achievement, and Certificate of Completion.
- 1000 Courses numbered 1000 are typically used to identify individualized tutoring (i.e., HSER 1000) or preparatory courses to assist students with skills for employment or licensure (i.e., NURSE 1000).

Transfer Credit

Courses accepted for transfer by the University of California (UC) and/or California State University (CSU) are listed with the course description and are identified in the “course transferable to” area.

Students who have questions regarding transferability of credit for specific courses to specific institutions should consult with a counselor.

Transferable Courses

Transferable courses can satisfy lower division major preparation, general education, and/or elective requirements. Please meet with a counselor for specific transfer course evaluation.
