

## **BSI Funded Counselors in ENGRD 10, ENGWR 49 & 50, Math 34 & 100 Classes**

The counselors would make weekly classroom visits (5-15 minutes)

Counselor role in the classroom:

During the first or second week of the semester

Remind students to apply for Financial Aid and the BOG etc...

Invite students to meet with a counselor if they have not yet done so

Verify that students are enrolled in skill level appropriate courses other than ENGWR and MATH

Throughout the semester bring information to the students regarding:

campus resources

requirements to earn a certificate/degree and to transfer

provide professors assistance with student issues as needed (for example: appropriate college classroom behavior and expectations placed on the student by the college)

become a link to counseling services

present mini academic skill development workshops

other topics as requested by professor
