

**Sacramento City College
Staff Resource Center
2009-2010 Flex Workshop Proposals**

**C A L L F O R F L E X
P R O P O S A L S**

The Staff Resource Center requests your proposals or suggestions for programs. We are soliciting ideas and presenters for programs for the 2009 - 2010 academic year. This format will assure a cohesive program as well as allow attendees to more easily plan how they fulfill their flex obligations or meet their training needs. We will also specify workshops of particular interest to Classified staff.

Please fill out a separate form for each workshop planned.

After gathering the completed Flex Proposal Forms, we will schedule events throughout the year.

The Staff Resource Center is also intensifying our practice of linking presentations to Sacramento City College and Los Rios Community College District goals. These goals are reflected by our theme for the year which is:

Empowerment & Engagement

Please select the College Goal(s) related to this workshop:

Engagement and success of first year students	Enrollment Management
Basic Skills	Distance Education and Outreach
Meeting Emerging Community Needs	Accreditation
Cultural Democracy / Proficiency	Staff Processes
Learner Centered Programs and Services	

Please Note: In order for workshops to qualify for flex credit, the activity must fit into one or more of the following categories.

Category Related To This Workshop (Please check all that apply)

Improvement of Teaching

Maintenance of current academic and technical knowledge and skills

In-service training for vocational education and employment preparation programs

Re-training to meet changing institutional needs

Intersegmental exchange programs

Other activities determined to be related to educational and professional development pursuant to criteria established by the Board of Governors of the California Community Colleges, including, but not necessarily limited to, programs designed to develop self-esteem.

Development of innovations in instructional and administrative techniques and program effectiveness

Computer and technological proficiency programs

Courses and training implementing affirmative action and upward mobility programs

We need suggestions for programs. Although all ideas are welcome, we are especially interested in speakers or workshops that highlight and explore the areas listed above. In addition, if individual departments or divisions would like to develop discipline-specific workshops, to include all colleges in the LRCCD area, please let us know.

We request that all proposals be returned to the Staff Resource Center not later than
Friday, April 13, 2009
