Students with a diagnosed learning disability from a Disability Resource Center Learning Specialist need to submit accommodation paperwork to the SCC Nursing Program Director at least one week prior to the testing date. Each of the designated testing dates can accommodate DSPS students in the computer lab by offering noise reduction headphones, a seat facing the wall, and the extra time required, which is determined by DSPS. Students with questions or concerns are encouraged to call (916) 558-2345 and schedule an appointment with the Program Director.

This will be our only testing date for the ADN, LVN And Career Mobility applicants. **If you are not able to test at SCC you may check the ATI website for other testing dates and facilities.**

**ATTENTION:** if you have already taken the TEAS V and passed DO NOT schedule to take the test here at SCC. We will only accept your first test attempt with a passing score of 62% or higher. If you have recently taken the TEAS test within the last 3 months and failed you must wait at least 3 months before retaking the TEAS test.
