

## Credits from Advanced Placement, College-Level Examination Program (CLEP), and International Baccalaureate Credits (IB)

### Advanced Placement Credits

Students at Sacramento City College may be awarded units of credit for each Advanced Placement examination (CEEB) they pass with a score of 3, 4, or 5. Students will receive units/credits but not letter grades for these courses, and they will not be used in the computation of cumulative grade point average for graduation or transfer. After successful completion of 12 units at SCC, a student in good standing may submit their official CEEB Advanced Placement Test scores to the Admissions and Records Office for evaluation. Credit may not be earned for courses in which Advanced Placement credits have already been granted.

The following chart shows credit given at SCC to satisfy general education requirements and SCC equivalent courses. For transferring students, AP examination information is listed as it applies to meeting CSU General Education-Breadth or IGETC requirements. Students should check with their transfer institution about policies for using AP scores for admissions and/or their major. **Students who have earned credit from an AP exam should NOT take a comparable college course because transfer credit will not be granted for both.**

AP TEST SUBJECTS	SCC Courses Only			General Education (AP Scores of 3, 4, or 5)				
	SCORE	Course	Units	SCC GE	CSU GE-BREADTH		IGETC	
				Area 3 units	Area	Units	Area	Units

World History	3, 4, 5	HIST 307 & 308	6	V (b)	C2 or D6	3	3B or 4F	3

\* If a student passes more than one AP exam in calculus or computer science, only one examination may be applied to the baccalaureate.

\*\* Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1 + B3 or B2 + B3 of GE Breadth. Fall of 2009 or later, those credits may only apply to B1 + B3.

\*\*\* If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in GE Breadth.

## College-Level Examination Program (CLEP)

After completing 12 units at Sacramento City College, a student may submit qualifying scores for the College-Level Examination Program (CLEP) to the Admissions and Records Office. Students may be granted up to 30 units of credit for examinations with scores of 50 percentile or higher. Students should be aware that four-year colleges have the right to accept, modify, or reject CLEP units.

Western Civilization II	50	V (b)	3	50	D6	3

\*If a student passes more than one CLEP test in the same language other than English (e.g. two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area C2 of GE Breadth, as noted.

## Course Identification Numbering System (C-ID)

The C-ID system is a statewide numbering system designed to identify comparable courses and facilitate articulation. Any community college course that bears a C-ID number signifies that it is equivalent in content, rigor, and student learning outcomes. Courses with C-ID numbers will be accepted at other participating community colleges or universities (only the CSU system is participating at this time). For example: C-ID CHEM 110 at this college (our CHEM 400) will be accepted by any other college that has been approved for the same C-ID CHEM 110 number.

Students should consult a counselor for specific information and assistance with evaluating course transferability. In addition, students should always go to [www.assist.org](http://www.assist.org) to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

### International Baccalaureate (IB) Credits

Sacramento City College may award college credit for international baccalaureate (IB) higher level course completion with scores of 5, 6, or 7, if the course work is compatible with the college's curriculum. No credit will be granted for lower level course work completed in the IB program. Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

HL = indicates "higher level" exams which qualify for IB credits. Students who have taken other exams (i.e., "S" = standard, are not eligible for IB credits.

IB Exam	Scores	AA/AS Area	Units	Scores	CSU GE Area	Units	Scores	IGETC Area	Units

\*\* For CSU only, **Language B (any language) HL** – The IB curriculum offers language at various levels for native and non-native speakers. Language B courses are offered at the intermediate level for non-natives. "Language A1 and A2 (any language) HL" are advanced courses in literature for native and non-native speakers, respectively.
