The program includes professional image, basic procedures for manicuring including hand and arm massage, basic procedures for pedicure including foot and ankle massage, acrylic nails, nail tips and wraps, gel nails including light and no-light cured, basic electric file techniques, basic airbrushing techniques, nail art and design, customer relations, professionalism, and salon business.

Recommended High School Preparation

Art, anatomy, physiology, chemistry, English, and math

Program Costs

Approximately \$700.00 is required at the beginning of the semester for textbooks, kit, uniforms, and personal supplies. In addition, there will be costs throughout the semester for program materials and supplies. Students must purchase the required kit and textbooks by the end of the first week of class or they may be dropped from the program for that semester. The student kit, textbooks, and some uniform items are available at the SCC College Store. Students who anticipate that these costs may create a financial burden should consult the Financial Aid Office for possible assistance. Students need to apply for financial aid at least one semester prior to the start of the program.

Enrollment Eligibility

To be eligible for enrollment in the program, the student must meet the following criteria: Have completed COSM 100 with a grade of "C" or better.

Completion of COSM 100 with a grade of "C" or better is required within a two year period prior to the beginning of the cosmetology and nail technology (manicure) courses. A proof of completion form for COSM 100 will be issued and must be presented on the first day of the next COSM course. In COSM 100, students will be introduced to the field of Cosmetology and Nail Technology (manicuring). The course is designed to give students a clear understanding of the subject matter and procedures of Cosmetology and Nail Technology, along with the policies of the SCC Cosmetology Department. In addition, students will receive training in customer relations, professionalism, and working with other students.

Enrollment Process

Eligible students are selected for the program according to the following steps: By lottery on the last day of the COSM 100 class.

Career Opportunities

The nail technology field is one of the fastest growing of the cosmetology industry. This lucrative field employs both men and women, and it provides an opportunity to work for a large or small establishment, as well as being self-employed.
