English Assessment Requirement

To place in the appropriate level of instruction, all students enrolling in English skills or composition courses are strongly advised to complete the assessment process prior to registration in any classes. An alternative is designated course completion, which will provide entrance into certain courses.

Success in Reading, Writing, and English as a Second Language (ESL)

The success of our students is of utmost importance to us at Sacramento City College. For that reason, we strongly advise students to develop skills in the basics of reading and writing. By reading, we mean understanding and remembering what you read so that you will be able to learn the information in all of your textbooks. By writing, we mean spelling correctly, punctuating accurately, using the grammar of standard written English, and organizing ideas into paragraphs and essays that are clear, unified, and coherent.

For students who are non-native speakers of English, we strongly advise taking classes in our English as a Second Language program.

With a strong foundation in the skills of reading and writing, your opportunities for success in college-level classes will be greatly increased.

Student Literary Journal

The student literary journal, *Susurrus*, is annually produced by the students in ENGCW 450 and ENGCW 451, three-unit production courses. The journal accepts poetry, fiction, essays, photos and art by Sacramento City College students for consideration each fall; the book-quality journal is published in the spring.
