- November – AS, CS, SLT final approval; President's approval secured. Final draft to DO by Nov 30.
- Dec – District Office reviews report

Senior Leadership Team

Spring 2019:

Report approved by the LRCCD Board of Trustees

- D. Ad Astra Project-** Operations is preparing the list of spaces on campus to be uploaded to the Astra Schedule system on May 8th as the first step of implementing the system. Astra Schedule and Platinum Analytics are the two products from Ad Astra that will provide data to the college regarding the use of spaces around campus (Astra Schedule) and the course needs of students as they approach completion of their Ed Goal (Platinum Analytics). This data will help inform discussions regarding the college's class schedules.
- E. Survey Results from Major Fun- Springer**
- F. Strength Finders Update –**
- G. Online Requisition Training - Heidt**
- H. AB 405 Update- Palm**

IV ANNOUNCEMENTS
