*During all terms, classes are offered in additional formats to enhance student opportunity: 1st and 2nd, eight week sessions; 1st, 2nd, and 3rd five week sessions; as well as weekend only classes. Examples might include four, five, six and eight week sessions and weekend courses, as well as other session lengths.

NOTE: Classes may be scheduled on all days during the Summer term including Friday through Sunday; the count of days, though, is Monday-Thursday only as these are the primary days when instruction is offered. Both the Fall and Spring terms have scheduled instructional days, such as Saturdays, that are not included in the number of days shown above. Those additional days ensure the district is in compliance with the requirements of Title 5 of the California Code of Regulations, sections 58120 and 58142.
