ATI TEAS Exam Remediation
Confirmation and Retest

☐ I received less than 62% on the TEAS test.
☐ I received greater than 62% on the TEAS test and wish to improve my score and retest.

If a student does not pass the TEAS test with the minimum score and wish to retest within 90 days of the first test, remediation must occur prior to re-testing. The first step would be reviewing the TEAS test results and study manual. Completion of the online self-pace course, Prerequisite Skills Assistance (LTAT 92), in the SCC Learning Resource Center, is accepted as remediation.

Please complete the information below and submit requested supporting documentation.
