SCC is offering TEAS testing dates for the ADN, LVN & VN-RN applicants which can be scheduled through the ATI website at

[www.atitesting.com](http://www.atitesting.com).

We have the following dates available in January and May. These are the only testing dates provided by SCC.

1 - 09 - 2020
1 - 10 - 2020
5 - 22 - 2020

Students with a diagnosed learning disability from a Disability Resource Center Learning Specialist must submit their prescription to the SCC Nursing Program Director at least one week prior to the testing date. Testing will accommodate DSPS students in the computer lab by offering noise reduction headphones, a seat facing the wall, and extra time required as determined by DSPS. Students with questions are encouraged to call (916) 558-2275 to speak with the Program Director.

Please note:

For students retaking the TEAS Test you must first confirm remediation before retaking the TEAS exam. Click on link for SCC TEAS Remediation and retest form. We will take the first passing TEAS score for those student without remediation confirmation. Please direct all inquiries to SCCNursingapplication@losrios.edu.
